

02 True Prayer, True Answer - 23 09 2026

Every person, every creation are always in an act of prayer. There's nothing in existence that doesn't know how to pray. Everything in existence, every creation of God knows how to pray - every creation are always praying.

Because prayer is not actually saying things to God, prayer in actuality is: paying attention to a being; "God,' 'self (yourself)' or 'forces of darkness."

You are praying to God, only when truly you are paying attention to His Heart. (For others to better understand, we'll say: you're praying to God, only when you are truly paying attention to His mind. Man, "the real person called 'the Spirit/soul' is standing in-between two forces (light and darkness). In your thoughts, there are always two different voices, your spirit (the real you) stand in-between to make decisions

- When your spirit is occupied by the spirit of God, you have the free will to create your own life and you also have the free will to depend on God to love your life according to the Book He has written concerning you. Everyone has a book, and you can choose to improve the story by how much you love God. Going out of the story line is a failure, but improving the story is what you call Love of God, He never created you to be a robot. God Has beautiful desire for you and He wants you to depend on Him, but He is also watching to see how much love you'll cultivate to improve the story. The measure of love you have for Him will determine your improvement, and your improvement will determine the improvement of your story. You are created to become the Book of God, make yourself the complete pages, then all creation will experience Love (God) through you.
- God has a better version of a Building, your love for Him will determine if He'll make you a better version. Man must be controlled by God 'here,' so that the man can have true freedom forever. If truly you want to become freedom; you must be caged by God here. God can do anything and He cannot be questioned, think about it. God can do anything, yet! His ways are always pure - His ways might look wicked and evil to many because they are the ones who do not understand Him. And also, they can never understand God because they are wicked to their own self. God can do anything without being questioned - This, God also wants for man, This is True freedom.
- For a man (person) to take care of His Spirit and improve His spirit into the likeness of God who is controlled by none, This truly if True Freedom. God never created man to control man, but for you to become

freedom, you must first be caged by God so you can be refined to become pure. Freedom is for Purity, any creation that has not attained Perfection (Purity) shall definitely be controlled by a being more pure and perfect. Even In the dark world: those greater in darkness have more order than those lower

- We'll say again; God never created man to control man, but for you to become freedom, you must first be caged by God so you can be refined to become pure. Freedom is for Purity, this is True and perfect relationship with God

Whenever you are paying attention to your own self (your mind, feelings...) you are in actuality praying to yourself because you are looking into yourself to know how to order and direct your life. And so you are making yourself a god even though you might not believe in God. Whenever you are paying attention to yourself, you can also be paying attention to forces of darkness, because they also speak through your thoughts and your feelings.

The people of the world are too quick to give their full attention to study and learn about things in school which they knew nothing about, but when it comes to God, they cannot do the same. If you can open yourself to learn what does not even matter to you all in the name of getting a promotion, why do you find it difficult to pay attention to God? Think about this and you'll know it is because you love praises of men (a person or people) more than your own life. Is the praises of men of more worth and value than the life of a person?

The feeling you get when appreciated or accepted by men (others) is not valuable than your own life. And also, your life is not valuable than your own soul "the real you." The only praise, appreciation and acceptance that is more valuable than your life and your soul is that which comes from God because it makes you become more like Him. Men can tell you "well-done," and it doesn't change you anything, but when God does appreciate you, it definitely changes you

God Is Light, "self" and satan is darkness. At present, the world is the way it is because we have more people (including children of God) giving their heart attention to self or satan. Whomever or whatever you focus on - 'this is the prayer.' The very being you're paying attention to, that is the very being you're praying to, and I tell you the Truth, what you pay attention to will determine your present state of being and your future forever

It is easier to pay more attention to self or satan, but at the beginning it is very difficult to pay attention to the True God (LOVE, JESUS HIMSELF). It doesn't take anything to give attention to darkness, every carelessness turns you to darkness, you don't have to focus much to give attention to darkness - carelessness of life, the freedom to

focus on your own thoughts, ideas, feelings, emotions and desires is so easy enough... the freedom to live as you like makes it so easy enough to give attention to darkness even without you knowing. But when it comes to the True God, to pay real attention to God, it takes Love (sacrifice), because you must wilfully chose to be conscious, calm enough on your insides to pay attention to Him. And you must wilfully chose to forget your own life so you can live the God Life.

You must wilfully chose to put yourself (your ideas, feelings desire) aside so you can pay attention to Him. It is difficult at beginning but it becomes less difficult as you continue. It is difficult because darkness (yourself and demons/unseen beings of darkness) will definitely fight against The Light - it is a battle of survival, darkness wants to survive in you like a parasite and it will fight against the Light, it will fight against you by deceiving you that your life is the "better life," distracting you or making you lazy to give attention to Light (God). A lazy person is not someone who does not love to work hard, no, a lazy person is someone who does not love his or herself enough to put effort of love to see his or her spirit and life become all God wants him/her to be

It is easier to pay attention to darkness but it is much difficult to pay attention to the True God because it takes Love (sacrifice) to do so. You will be resisted by unseen forces. Some people say "my god is the true God!" I tell you the truth, it is easier to pay attention to anything you call 'god,' and it is even easier to pay attention to church or the word of God but to personally pay attention to the True God (The Lord Jesus) Who can change the nature of a person into that which is beautiful - it truly is very difficult, then you'll know if truly you're are serving the True God or not. You can be in the church, you can even be with Jesus Christ of Nazareth (God Himself) but yet you are not paying attention to His Heart. It is easier to be around Jesus when He was on earth, and also it can be easy to be around Jesus when He shows Himself to you in lesser Glory, but I tell you, it is much difficult to pay attention to His Heart. This is why He doesn't show Himself to us at times, because we often pretend around Him.

For example and this is Truth: if Jesus is speaking to you face to face, you will pay attention and you also can do easily do whatever He tells you, but if Jesus uses someone to speak to you and tell you to do something, you will complete ignore, reject and look down on the person, then it will be made known to the Angels and the Host Of Heaven that this one is a pretender, fake love. If the attention you give to Jesus cannot be given to others, know then your love is fake. Is this not why Jesus said "whatever you do to others, that you do unto Me

And He will set the sheep on His right hand, but the goats on the left.

Then the King will say to those on His right hand, 'Come, you blessed of My Father, inherit the kingdom prepared

for you from the foundation of the world:

for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.'

"Then the righteous will answer Him, saying, 'Lord, when did we see You hungry and feed You, or thirsty and give You drink?

When did we see You a stranger and take You in, or naked and clothe You?

Or when did we see You sick, or in prison, and come to You?'

And the King will answer and say to them, 'Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.'

"Then He will also say to those on the left hand, 'Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels:

for I was hungry and you gave Me no food; I was thirsty and you gave Me no drink; I was a stranger and you did not take Me in, naked and you did not clothe Me, sick and in prison and you did not visit Me.'

"Then they also will answer Him, saying, 'Lord, when did we see You hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to You?'

Then He will answer them, saying, 'Assuredly, I say to you, inasmuch as you did not do it to one of the least of these, you did not do it to Me.'

And these will go away into everlasting punishment, but the righteous into eternal life."

[Matthew 25:33-46]

Jesus knows many of us have fake love towards Him, that's why He'll plainly tells us so, if you cannot give that person the same attention you will give to Jesus if you see Him face to face, then your love for Jesus is fake. I often say, "give attention to everyone but give your heart only to God." We will put it in your daily life, the special attention you give to someone you value, if you cannot give that same attention to someone you see as nobody, then you know your love is fake. You give more attention to those whom you believe you can get something from, more than those you see as nothing. Fake! Fake is what is destroying the world today

Paying attention to God's Heart is what changes you, and when you are changed into more of His Likeness, everything becomes beautiful. To pay attention to the Heart of God, you must be willing to sacrifice yourself so you can pay more attention to your conscience (inner being), paying more attention to your conscience reveals to

you who you truly are, it reveals to you the darkness you truly are and this is the door into the Heart of God. Jesus said, "I Am The Way, I Am The Door," but I tell you, there is a door before That Door (Jesus), "your conscience," your conscience is that door, if you cannot pay attention to your conscience and accept and confront the "darkness in you, you cannot go to and you also cannot go through the Door (Jesus, God - The Word Who came as man)

Your conscience is the first door, unless you become calm on your insides to pay attention to your inner being and confront the darkness in you the door of your Heart (inner being) can never be opened to enter The Door (Jesus), you'll remain trapped and continue to become more darkness. This is why you see people hate corrections, because they are cowards. You can be the bravest person on earth and I also see people, especially girls, women making dangerous sacrifices by giving their body to strangers for sex because they don't know the true negative effect of this... they make dangerous sacrifice, but yet they are cowards, because they are not brave enough to confront the darkness in them. Anyone who hates correction, such a person is a true coward.

Yes, I say also to you who knows God: no matter how much of Jesus you have become, if you hate correction, if you do not desire correction, you are a fearful coward and the Lord Jesus say "The fearful shall have their part in the lake of fire."

But THE COWARDLY, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death."

[Revelation 21:8]

Why? Because correction refines you like gold, it makes you become more pure and perfect as God Is, but yet the very correction that is to make you pure is what you reject. Anyone who is always asking God for things, anyone who is always asking God for what they want but they are afraid to ask God for what He wants, they also shall have their part in the lake of fire, because you are afraid of what God will do to you and what He'll do with you, you are afraid because you love self more than God and because you also love 'self' more than your own soul (inner being). Why are you afraid to ask God for what He wants, it is because truly inside of you is darkness and you love it that way.

Anyone who does not love correction, such a person does not love God and because you don't love God you can never be or remain in His kingdom. I don't care who you are, whether you're Enoch, Moses ,John the Baptist,

whatever you are, whoever you are, if you do not love correction and if also you're not humble and love enough to pay attention to everyone, you can never be or remain in the kingdom of God, because to refuse correction is the same as refusing God. Anyone who does not love correction is the same as saying they love being darkness and also they don't love being with God, so such a person has wilfully chosen to be cast into the lake of fire.

And also, anyone who is not humble and love to pay attention to everyone, such a person cannot be or remain in the kingdom of God because God Himself is Humble, He came down as man and lived as man to clean a mess He never caused. That God Who Is Pure, He came down as man, lived as man, to show you the way so you can go up. God came down so you can go up. Refusing the be Love and humble to give attention to everyone is the same as rejecting being with God, it is the same as rejecting God.

Give attention to everyone but give your heart only to God

I am revealing to you the hidden sins of men, many who have the spirit of God think they are saved, but I tell you, hidden sins and characters as these in them shall make them not to remain in the kingdom of God. I often tell you, Jesus can be talking to you face to face but in His heart He has rejected you already because you rejected His nature, character, lifestyle.. you rejected His Heart

Many people say, they don't pray to God, but I tell you the Truth, true prayer is relationship, and true payer simply is paying attention to LOVE (God Himself) Who in actuality is the True God. However, who you pay attention to and whatever you paying attention to has become your god, so if God is not merciful none of us will survive, because He said "do not worship any other God," but yet we pay attention to "self," and something else more than Him.

“You shall not make for yourself a carved image—any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth;

you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My commandments

[Exodus 20:4-6]

There is a spirit behind what you are paying attention to, and also why you are paying attention to what you are paying attention to can also tell which spirit you are giving your heart to. You can even be paying attention to your

own bible, yet the reason behind why you are doing so is not pleasing to God and since it is not pleasing to God, you are giving your attention to a spirit of darkness and you'll become more darkness.

"What, 'who' and 'why," determine the Spirit you are giving your attention to, do you understand?

- What you're giving your attention to
- Who you're giving your attention to
- Why you are giving your attention to whatever or whoever you give you attention to

God shows Mercy to an extent in this aspect because He knows that as fallen nature, we will definitely at time pay attention to darkness, because this body is a tool which satan also uses to speak or connect to a person, satan/forces of darkness cannot speak to your heart unless he has already taken over your heart, but even though your heart (inner being) is taken over by the spirit of God, forces of darkness can still speak to you, through your body (thoughts, feelings, emotions, desire). And yes, forces of darkness can show you visions, they can show you something and they can speak to you and you'll think it is God Himself speaking to you, this is mystery which I won't explain here but in another message, but the root cause of this is when the heart of a person is corrupted with pride.

Yourself must give way, you must put yourself aside if truly you want to see clearly as God sees. And even if you're seeing clearly as God sees, still be humble as the prophet of old would say "Lord, I do not know, only you know!"

You know God first: through His impression or Voice in your conscience. Even though you don't know how to speak or hear, there is what you call "impression" on the inside of you - you know God first through His impression inside of you, this makes you know right and wrong and causes you to make right decisions if you want to that is. Now you see God has been with you all along, but He also has to be in you, if not He does not know you even though He Is The One Who created you.

You know God first, through His impressions deep inside of you. And then you know God through His spoken or written Word, before you then move on to begin knowing Him personally as a person. This is why many reject the Existence of God, because they want to see Him first, they believe in Facebook or internet relationship where you can talk to a person before meeting the person but they don't believe in God, is this not foolishness. God will never become what you want Him to be, rather it is your choice to become what He wants you to become. You are

nothing before God and so you cannot test Him by telling Him to prove Himself, He will simply replace you with another. Your very existence is enough for you to believe and then seek the True God

Some people believe prayer is for people who are not smart enough to help themselves... as said; one of the major reason why people do not believe in God is simply because they love the praise and acceptance of men more than their own selves. The praise and acceptance of men (others) is more valuable to than their very life and their own soul (real self) and this indeed is a very great foolishness.

Some people believe prayer is for religious people who believe in God or in a god, but they do not know that every creation are always in an act of prayer (including themselves). A creation must give attention to it's creator if that creation truly wants to create the beauty it's creator wants it to create... Do not be foolish! The plants have brain and feelings and can communicate to you as though they are humans, they can respond as though they are humans, but you're not aware, they exist also to serve you and other creation. Everything created, both seen and unseen, all are living beings, but many of us are not aware of their true existence you only see many of them as... even the scientist knows this but are ignoring it, scientist will continue to go through irrelevant stress and pain unless they humble themselves to begin partnering with God

At times some of the beautiful ideas you got did not even come from you, God just gave it to you, because He wants to use it in the earth, and He simply just chose you and then you began thinking it came from your own wisdom. There are some great ideas or whatever great idea that God actually gave to a Christian (follower of Jesus/one who has Spirit of God), but the person refused to pay attention to God or love God enough to accept it, and then God gave that same idea to a person who does not even believe in God, this is to tell you that, you who say you're a Christian, you are not special to God unless you make yourself special by depending on Him to become all He wants you to be. When I preach in the streets, few a times I say to them, "who told you you're special, what make to think you're special?" You're not special to God unless you make yourself special, by becoming perfection God Himself.

Please, you're not special unless you make yourself special, God can so easily replace you, many people have already been replaced even before God created them, because He has seen their future already that no matter how much I try to make this one perfect, he or she will still misbehave, and so even before many were given birth to - they had already been replaced. David was already being prepared by God even before king Saul corrupted his

own heart. This is why you must spend every breath of your life wisely, because your love for God 'now,' or rather, your heart towards God 'now' is what He uses to decide your future.

Even if you don't believe in God, you also are praying because every moment you're awake, you are always busy paying attention to yourself to determine how your day and your future (next) shall be like. Do you not know that paying attention to yourself to determine how your future will be like - do you not know that this also is prayer? So you have become A god to yourself and I tell you, you will always create a future of uncertainty and also you will always create destruction because you yourself is destruction already for not having the life of God. The life of God is given only to those who truly desire to become like God.

You who don't believe in God, whatever you're doing right now and whatever future you desire to have - all came as a result of paying attention to yourself or forces of darkness. Prayer is simply "paying attention," to create a future - your next second also is a future. Do you understand?

And so it is foolish to see a man (person) saying he does not pray, yet that same man is planning on how he wants to have a better future 'for himself,' - paying attention to have idea for a better future is prayer, the question is, who are you paying attention to? "God,' or 'self satisfaction," if it's not the True God "The Lord Jesus," prepare then, it might look sweet "now," but you are already become destruction and you know it not, when your time here come to an end and you refuse to restore yourself from that state of destruction, you'll face the true reality of destruction in a realm that has no end

Prayer is quietness of Heart - to those who don't know anything about the unseen realm which of course can be seen and is more real than this realm: your Spirit (the real you, the inner unseen being or unseen force) is called the Heart because it is the engine, the giver of life and the one controlling and using this body like a machine, whatever decision you make here will determine your state of being, your place and your position forever either in destruction or in Beauty [Life Eternal].

You can compare Eternal life and this present life just as you would compare a real person eating a real apple and a person eating a paper with picture of an apple drawn on it. Out of these, which one is more real to you, which one would you choose? This present life is like the paper, Eternal Life is the reality. And no one can have Eternal Life unless they humble themselves to become wise by choosing to become foolish in the eyes of men. It takes a great level of love to be willing to become foolish in the eyes of men just for you to become all God wants you to be.

Even the Lord Jesus (God Himself) who came as man, He knew He Is God yet, He made painful decisions by choosing not to reveal a fearful aspect of Him here in earth, as He said

“Put your sword in its place, for all who take the sword will perish by the sword.

Or do you think that I cannot now pray to My Father, and He will provide Me with more than twelve legions of angels?

How then could the Scriptures be fulfilled, that it must happen thus?”

In that hour Jesus said to the multitudes, “Have you come out, as against a robber, with swords and clubs to take Me? I sat daily with you, teaching in the temple, and you did not seize Me.

But all this was done that the Scriptures of the prophets might be fulfilled.” Then all the disciples forsook Him and fled. Jesus Faces the Sanhedrin

And those who had laid hold of Jesus led Him away to Caiaphas the high priest, where the scribes and the elders were assembled.

But Peter followed Him at a distance to the high priest’s courtyard. And he went in and sat with the servants to see the end.

[Matthew 26:52-58]

- "do you think that I cannot now pray to My Father, and He will provide Me with more than twelve legions of angels?"

These words of His... This Is telling you that He truly desire to reveal His fearful power as God, but He chose not to, it is painful to resist, but it creates peace inside of you, because that peace tells you, you have pleased God and He also has rewarded you as a man - with more of Himself

In plain words, no one can have Eternal Life unless they truly love themselves enough to believe Jesus Is God and the Only Who can change the inner being of a person into Heaven (Beauty). Heaven is not beautiful because it is beautiful, Heaven is beautiful because of the nature, the essence, the very Life of God flowing out of God - this makes it beautiful. And this should be the reality on earth. Same way also, a person who chose not to become more like Jesus, will experience the hell fire He has already become inside of him and this also is a shadow reflection of what we are experiencing in our world today. Those who choose to make their inner being into hell, they shall experience the fullness of that hell when their time here is finished if they refused to depend on Jesus for change

We say this for those who know nothing that they may know all things, no one can know all things unless they become more of God who knows all things. You can't even discover who you truly are, and who you truly are can never manifest or rather flow out through you unless you journey deeper in God for Him to reveal Himself and your true self to you. Your true self is our true identity hidden in God, it takes a certain level of Love to sink deeper in God before He brings out this hidden and beautiful aspect of you. This is the Beginning of Eternal Life.

Yes, Prayer Is Quietness Of Heart - whatever you say or do is not the prayer, true prayer is in actuality quietness of heart. When your heart (inner being) is quiet; you'll know the Very Mind/Heart of God. Knowing the Heart of God is the answer to prayer. Pay attention, we'll say again:

Quietness of Heart, Paying attention to the Heart of God is the True Prayer (communication, relationship). Then, knowing the very mind/Heart of God is the answer of God to your prayer (relationship). To know what God wants you to say and to say what God wants you to say - this is the answer to prayer. Take note, whatever you're saying is as a result of the being you are paying attention to.

if you not pay attention to God, you cannot even know what God wants you to say, you'll just be saying as you want, this is why The Apostle James said "you ask amiss."

"Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members?

You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet you do not have because you do not ask.

You ask and do not receive, because you ask amiss, that you may spend it on your pleasures."

[James 4:1-3]

You ask amiss/wrongly because you do not pay attention to know what God wants you to say and how to say it. This is telling you that paying attention is the prayer, knowing the very mind/Heart of God is the answer of God, because knowing the very heart of God creates Beauty.

Whatever you say is as a result of who you paid attention to, if you pay attention to yourself, you'll say what you want to say, if you pay attention to darkness you'll say what the devil wants you to say, if you pay attention to God, you'll say what God wants you to say as He said;

For I have not spoken on My own authority; but the Father who sent Me gave Me a command, what I should say and what I should speak.

And I know that His command is everlasting life. Therefore, whatever I speak, just as the Father has told Me, so I speak."

[John 12:49-50]

So you see, what you say within without is not the prayer what you say is as result of who you paid attention to and who you paid attention to will determine what your life will create. Yes, man is a creator being. Whoever or whatever you paid attention to is the prayer, if you pay attention to God and you receive from God, what you receive from God is the Heart of God; what God wants you to know. If f you pay attention to forces of darkness your life will be a reflection of those forces... so your daily life..., you're answering the prayer of a spirit "God" or "forces of darkness." Many are praying to forces of darkness, many create an hour or ten minutes to pray to God but they spend their whole life praying to forces of darkness, because if you're not praying (pay attention) to God to know how He wants you to live, you definitely are paying attention to self (darkness) and forces of darkness.

To do what God wants you to do, to go and to be where God wants you to be, to follow the plan of God, to live the very life God wants you to live, to live the life of God - this truly is the answer to prayer, it makes you become more beautiful as God Is and it also creates the beautiful future of God. No matter what you do for yourself and no matter God does for you, if you do not follow the plan of God - your entire life is a disaster and a waste.

God can do so much for you, but if you do not know His Heart and live the life He wants you to live, that very good thing God did for you, you will use it to destroy yourself and others and it will become a waste in your life and your life also will become a waste. No matter what God do for you if you do not know His Heart and follow His plan, you'll live a wrong life, that of destruction. And so whatever God does for you seems as though in vain if you're not living the life He wants you to live

Do not say to yourself that do not know how to pay attention to God and do not say to yourself that you cannot know the voice or Heart of God. Paying attention to your conscience - the reason why people distract themselves with so many things is because they are afraid of following God, because they know that the very moment they become still calm enough to pay attention to their conscience, God will begin first of all by revealing/showing to them their wrong and the wrong path of life they have chosen. Many a people want a perfect life but they hate

correction, if you do not want correction then you by yourself should become perfect and this is impossible unless perfection (God Himself) corrects you into perfection.

Many a people loves distracting themselves from the life inside them. When you deliberately decide to truly become calm enough to pay attention to your insides, your conscience, your inner being, then you'll begin to know the very mind of God gradually, it will not be clear at the beginning but the more you pay attention the more that wall, that thick barrier that disconnect you from God will begin to crumble. Then you'll begin to Instinctively know what God wants you to do, if you have a Bible, nobody will tell you to spend time with Him through his word you will just know and you not be able to rest until you do so, even though it is difficult at the beginning.. - you will just know what to do in your daily life and how to live your daily life. And the more your spirit grow, the more His voice, His mind/Heart will become more plain and clear to you

How you respond positively towards God within without is the answer to prayer. Knowing The Heart of God and responding to God positively within without (as God wants) is the answer to prayer

Paying attention to the Heart of God is the prayer and this also makes you become more of His very likeness, because paying real attention to God is relationship and relationship changes your inner being (the real you) more into the very likeness of God. To pay attention to God is to search His Heart to become perfection

We'll say again: Paying attention to the Heart of God is the prayer. While knowing The Heart of God and responding to God positively within without (as God wants) is the answer to prayer

This is brief message but it Is Life of Jesus (God Himself) who came as man. God came as man to show you how to have relationship with Himself Who Is unseen, yet can be seen.
